

Dear Attendee

APSPT-14 is right around the corner! We look forward to welcoming you to the beautiful NSYSU campus next week. According to the weather forecast, we will enjoy warm and sunny days during the conference, with **comfortable temperatures ranging from 20 to 27°C**. Therefore, the dress code is casual—please **feel free to wear whatever is comfortable**.

We will host the welcome reception in a historic building on the NSYSU campus. Beers, soft drinks, Taiwanese-style deep-fried chicken, sandwiches, and various finger foods will be provided. Please visit the registration desk to collect your name badge and conference bag before heading to the welcome reception.

Thanks to the Kaohsiung City Government, each participant will receive a **Kaohsiung Goods gift box** containing some of Kaohsiung's famous cakes and candies. In addition, the Kaohsiung City Government will provide a **free transportation card for all foreign attendees** and a **150 NTD night market coupon for all student participants**. You can pick up these gifts at the registration desk. Students may join my student volunteer group for an enjoyable **night market tour (12/12 Student Mixer)**, where you can make new friends, taste delicious food, and discuss research in a relaxed atmosphere.

For participants staying in hotels, please remember to get an accommodation stamp from your hotel front desk and **return the accommodation form (attached) to the APSPT-14 registration desk**. You will receive an additional gift box after submitting the form.

The **ferry cruise in Kaohsiung Harbor (afternoon of 12/13)** is a highlight for all visitors. We encourage you to join us to admire the beautiful **Asia New Bay Area** and **Kaohsiung's famous harbor sunset** from the sea. We **invite you and your accompany persons** to join this event. Please check the program schedule on the conference website and be sure to board the ferry on time.

Finally, we sincerely welcome you to APSPT-14 to share your latest research in plasma science and technology. We firmly believe that you will enjoy fruitful academic exchanges and the unique mountain-sea scenery of the NSYSU campus. We look forward to seeing you soon and wish you a pleasant trip to Kaohsiung.

All the best
